

# ARE YOU THE NEXT SDG TALENT?

**UNLEASH Innovation Lab 2017  
is now open for applications and you are invited!**

To find smarter, faster, and cheaper ways to reach the Sustainable Development Goals we need next generation solutions from bold thinkers and leaders. UNLEASH will bring 1,000 hand-picked talents from around the world to ideate and collaborate on new solutions in Denmark from August 13<sup>th</sup>-21<sup>st</sup>, 2017.

## WHY YOU SHOULD JOIN?

Gain a global network of amazing, like-minded people

Work on new ideas with leading experts and investors at your fingertips

Pitch team ideas to funders, companies, investors, and incubators

Get almost all travel and accommodation expenses paid

## WHAT WILL YOU BE DISRUPTING?

This year you can work on global SDG challenges within 7 themes: Food, Health, Energy, Water, Education & ICT, Urban Sustainability and Sustainable Consumption & Production.
